

**The New Forests Company congratulates His Excellency the President Yoweri Kaguta Museveni, the Government and People of Uganda on this auspicious occasion of the 58th Independence Anniversary Celebrations.**

As a world class leader in the fields of forestry, pole treatment, employment, conservation and community development, The New Forests Company remains committed to contributing to the development of Uganda and the region. The supply of high-quality utility poles, pallets, graded and certified sawn timber is sourced from the Company's responsibly managed plantations and manufacturing. Our commitment to our neighbour communities is reflected in our unwavering support towards the forests for prosperity approach.

We join all Ugandans in working towards a prosperous future with renewed hope and confidence.
